Dear Cath

On behalf of the organising committee, I would like to thank you most sincerely for your paper that you presented at Oil Africa 2008. It was rated as one of the best papers of the Conference by delegates who I have spoken to and you were quoted extensively in the press.

I hope that you enjoyed your visit to South Africa and the hospitality that we were able to offer. We look forward to a continuing relationship with Appropriate Training and you in particular in the future.

Copies of the proceedings have been put on a CD and are being posted to you. Once again, thank you for your insightful paper and the time spent on Oil Africa 2008.

Yours sincerely

Steve Hrabar
Chairman
